Progress Report

	Printed Name	Signature

Doctoral student:

Date of TAC Meeting:

Thesis Committee Members

Each doctoral thesis should be supervised by at least three supervisors: an IMPRS faculty member, a full FSU professor and a senior scientist. A fourth member can be added.

	Printed Name	Signature

1st Supervisor (IMPRS Faculty):

2nd Supervisor (FSU)

3rd Supervisor (senior scientist):

4th Supervisor (if applicable):

_____

Project Starting Date:

Project Title:

Project Abstract (about ½ page):

1. Progress of the PhD project to date
1.1. Achieved goals in reporting phase
1.2. Missed goals
1.3. Is your project on schedule (YES/NO)? If not, please specify the cause(s).
1.4. What was proposed to solve these problems?

2. Project Planning
2.1. What is the project planning for the next 12 months? List anticipated milestones.
2.2. In the next 12 months, what percentage of your time do you plan to spend on
(one week is approximately 2.5% of a year)

- experiments and analysis of experiments   %
- writing   %

- reading literature %
- assisting practical courses / graduate students %
- attending courses or congresses %
- different namely: %

3. Scientific output to date
3.1 Please list the conferences/symposia that you attended and your contributions.
3.2. Please list your publications and their status (in preparation/under review/in press/published)
3.3. Are you planning for a cumulative, pseudocumulative or monograph-style thesis?

4. Additional points discussed during the committee meeting
(to be added during the meeting by hand)

5. IMPRS activity record
5.1. Which basic lectures, scientific courses, transferable skill courses, symposia etc did you attend? Please log your activities in the table below.

IMPRS Training	Date	Credits Collected
Mandatory		
Number of basic lectures to date:	e.g. June 2019, July 2019	
Courses/lecture series		
IMPRS Symposia		
PR Requirement		
TAC Meetings		
6 months		
18 months		
30 months		
Good Scientific Practice		
Credit Sum		
Elective		
Credit Sum		

5.2. How are you planning to collect additional mandatory credit points?
5.3. How are you planning to collect additional elective credit points?
5.4. Do you think that the IMPRS courses offered at the moment are sufficient (YES/NO)? If not, what type of course would you like to attend?
